Let You Start Meeting Immediately

The V1 Pro provides an efficient and easy-to-use experience. With a flexible and adjustable pylon, the V1 Pro can be mounted directly on your screen. Simple plug-and-play functionality allows you to start a meeting in seconds. You can experience video collaboration with any video conferencing application and cloud service you are familiar with.

12-Glass HD Lens with Super Wide Field of View

The V1 Pro series uses a large-area condenser lens to achieve higher optical standards, making the picture clearer and the color reproduction fuller. With 110° large wide-angle and undistorted field of view^[2], it offers an open conference room panorama, and effortlessly puts everyone into frame instantly.

4K Experience, Lifelike Quality, Efficient Collaboration

The V1 Pro supports Sony™ high-quality 4k CMOS that allows for 4K video to be captured at 60 frames per second. With USB3.0 high-speed transmission, V1 Pro can provide users an incredibly lifelike meeting experience. And V1 Pro support 4X electronic zoom without distortion. High-definition smooth picture, making the meeting more efficiently.

- **Image Sensor**
1/2.5" high quality 4K CMOS sensor
- **Effective Pixels**
8 million pixels
- **Video Signal**
4K
1080P
720P
- **Perspective**
110°(D) /105°(H)/85°(V)
- **Communication Interface**
Type-C (USB3.0)
- **Video Compression Format**
MJPEG、YUY2
- **USB Communication Protocol**
UVC
- **Electronic Zoom**
4X
- **Minimum hardware requirements**
2.4GHz Intel® Core 2 Duo Processor
2GB or more memory
USB 3.0
Support for Windows® and Mac® operating system computers
- **System Requirements**
Windows 7 or higher
Mac OS X 10.7 or above
Android 4.4 or above
- ▲ **Environmental data**
Stored temperature:-10°C ~ +60°C
Storage humidity:20% ~ 95%
Operating temperature:-10°C ~ +50°C
Working humidity:20% ~ 80%
- ▲ **Package Contents**
Camera host × 1
Remote control × 1
Power adapter × 1
USB3.0 cable × 1
Instruction Manual × 1
Terms of after-sales service × 1
Certificate of conformity × 1
- **Size (length × width × height)**
330mm*92.5mm*122mm
